## SWIFTS HISTORY

Swifts Edibles has been a Washington state staple since the brand was founded in 2014 by a team with decades of experience in the cannabis and culinary industries. Customers have come to know and trust the quality, flavor profiles and consistent dosing of the Swifts Edibles line of products. Swifts Edibles remains at the forefront of edible cannabis products incorporating traditional confectionery production methods with cutting edge infusion technologies and remains #alwaysextraordinary.

## SWIFTS ON THE GROW

With recent expansion and growth plans in California, the brand aims to bring its speciality confectionery inspired product to a wider audience on the West Coast. Beginning with a line of handcrafted truffles in a myriad flavors and expanding into gummies, mints, frozen treats and more.

With precise attention to consistent dosing and flavor profiles, Swifts Edibles products elevate an every day experience to that of true craftsmanship. Discreet, single serving packaging supports the customer in the pursuit to take the edge off and curate a truly one-of-a-kind cannabis confectionary experience.
